A line drawing of a right hand with a device 10 positioned on the palm. The device 10 is a rectangular unit with a curved top edge. A dashed line 48 indicates a fold or hinge in the device. A horizontal band 14 is wrapped around the middle finger and the device. A small rectangular component 23 is attached to the bottom of the device. A curved line 26 is on the left side of the device. A line 32 points to the band 14. The hand is labeled 46, and the index finger is labeled 12.
